Sorry.I've missed you today due to the circumstances. You can call me tomorrow, Saturday, anytime after 5pm IL time . I Assume that's anytime after 8am in Aspen. If you reach Aspen only around noon, Aspen time, you can call then,it might be 9pm to 11pm IL time and that's OK with me.
Best to Rhoda as well

I will be available today until 11:00 NY time, and again in the evening (which may be too late for you)

Tomorrow we travel to Aspen, and I suggest you send me an email with times I can call you
